

Do want your own Reef Aquarium?

Have you always wanted a marine aquarium but didn't know how?

We can make your dream of owning a beautiful aquarium possible. We are conducting an evening seminar for reef aquarium beginners. The seminar presenter is Paul Lawrance, our Senior Aquarist and Proprietor. He will reveal how **EASY** it is to have your own marine aquarium. You will gain **practical knowledge** that will help you create your own relaxing reef environment. It will also **save you money** by guiding you towards the right purchasing choices.

Don't miss your opportunity to **quickly master** concepts that take other reef experts years to learn.

- **Understand** the basic filtration methods to keep your reef tank looking spectacular at all times.
- **Learn how to** choose the correct lighting to highlight the stunning beauty of your aquarium.
- **Apply tips and hints** to ensure you have the best looking aquarium in the shortest possible time.

You will also **receive a gift** from us or one of our suppliers! This course is \$49.95 per person or \$25 per member. Our many previous seminar attendees have said that they found the course "useful, informative and fun".

We **guarantee** that you will leave confident in your new found expertise or we will give you your money back.

Phone: 02 4945 0644 to **book your seat today!** Pre-payment is required and can easily be done over the phone using a credit card or in-store.

NEXT COURSE: TUESDAY 3rd March 6.30pm
